Camp Information

Campers will have a friend to spend time with during the camp. Campers needing special assistance will have that care provided by CVI staff.

CVI has over 18 years of experience hosting camps for children and youth with special needs. All staff is screened, interviewed, and trained prior to camp.

Camp is fun; filled with indoor and outdoor activities for campers to get excited about. We do snow events such as sledding, ice fishing, and a bit of snow spirited competitions! Hayrides and hot chocolate around a bonfire is a camper highlight for many. We are a Christian led and inspired camp and as such we will enjoy music, drama, puppets, messages, games, and crafts that reflect the love of Jesus.
